2 die in fire when Oxtongue Lake lodge burns down

Between the hours of 4-5 am on Saturday morning two people lost their lives in a house fire near Oxtongue Lake.

Timber Trail Lodge burned to the ground and firemen from the McClintock Fire Dept. and Oxtongue Fire Dept. recovered two bodies from the rubble. Minden OPP report no estimate of damage as yet and the two bodies are presently at the Coroner's Building in Toronto for a post mortem and identification.

The bodies are believed to be that of Elizabeth Anne Marson 29, and her son five month old Joel Timothy Marson. John Marson 29, caretaker of the lodge and husband and father of the deceased, escaped the disaster.

Fire investigator Art Laing from the Timmons Fire Marshall's office attended the scene on Sunday, Feb. 3rd. The cause of the fire has not yet been determined.

The owner of Timber Trail Lodge, Roy Marson of Dwight was on vacation at the time. Dr. Blair Pierce of Haliburton attended the scene. Investigation continues by the fire marshall's office as well as Minden OPP Constable Bob Wood.

Reeve S. G. Nesbitt officially opens TD Bank

Minden — On Friday morning of last week the Reeve of Anson, Hindon and Minden, S.G. Nesbitt (left) officially opened the new Toronto Dominion Bank building on South water St. Also on hand for the opening was TD Bank Manager Al Mayo (right) and Mr. James A Dikie, Vice-President and General Manager of TD's Ontario

North and East Division. Mr. Dikie can be seen in the background. More than 50 citizens of Minden turned out for the opening. Banking hours at the new premises will be Monday to Thursday 10a.m. to 4:30p.m. and Friday 10a.m. to 6p.m.

Rodd platform — help for those people on fixed incomes

Victoria-Haliburton Liberal candidate Ivan Rodd has given support to the Liberal party platform to increase the Guaranteed Annual Income Supplement (GAINS) by \$35 per month.

Mr. Rodd noted the contrast between the Liberal party's concern for those on low or fixed incomes and the Conservatives whose fuel price and tax increase proposals could cost the same people up to \$575 per year in increased heating and transportation costs.

Mr. Rodd pointed out many older people in this area are homeowners and don't need to be taxed any further. Mr. Rodd indicated these people would get nothing out of the tax credit plan of the Tories.

This was the essence of an address to Liberal supporters at the committee rooms in Lindsay last Saturday. Liberal Association president Doug Fisher reported that this is the first time Mr. Rodd has run for election and the first time he had "Haggis" Fri. at the Academy Theatre's Women's Guild luncheon in the town.

Last Saturday, Rodd took part in Minden's winter carnival, opening the bucksaw and log sawing contests. During the afternoon he was mainstreeting in Haliburton and Saturday evening he presented trophies to three Dunnville players following the close of a hockey tournament in Haliburton.

He also attended the 50th wedding anniversary of Bernice and Jack Boughner at the Haliburton Legion, Saturday evening.

Operation of Minden Home Hardware changes hands

The operation of Minden Home Hardware changed hands on February 1st when John Pentney Jr., purchased the business from his father, John Pentney, Sr.

The Pentney family moved to Minden from

Production rep., OPP meet Rec. Comm. over arena show

Minden — On Wednesday, January 30th, the Minden Recreation Committee met with the Ontario Provincial Police and Mr. L. Schurman to discuss the summer dances at the Minden Community Center.

Mr. Schurman advised the committee that he would agree to engage smaller bands with hope that basically those persons with summer residences would be attracted to attend. In his opinion, the transients were responsible for the bulk of problems which occurred at the summer dances in the past. He al-

Stoney Creek, Ontario in 1970 when Mr. Pentney purchased the former Crest Hardware in Minden.

At that time, Mr. and Mrs. Pentney and their three children lived above the store and each of them worked in the business, the children being involved after school and on Saturdays.

In 1973, John Jr. began working full time for his father and learned the in's and out's of the retail business.

In 1977 it was John Jr. who got the garden centre going and when his father and mother decided to purchase a Port Perry Crest Hardware in 1978, it was John who continued the successful operation of the Minden store.

Since Mr. and Mrs. Pentney Sr. took over at Port Perry, they have had little reason to return to the Minden outlet in the capable hands of John Jr.

With successful negotiations between Father and Son, being finalized recently, the business has now been sold to John Jr. as of last Friday, February 1st, 1980.

so agreed to not only advertise in the Minden and Haliburton area but to also advertise in cities like Oshawa and Peterborough. If the committee did accept his proposal and trouble did occur, Mr. Schurman agreed not to hold the committee to any further contract dates.

Sgt. Bestman of the Minden OPP Detachment was concerned about the lack of manpower to properly service the County, especially in view of the fact that additional staff was required to patrol the Minden events in 1979 leaving fewer constables to cover the balance of his district. Those officers who are not scheduled to work a particular weekend do not wish to volunteer their time to assist in patrolling the rock concerts-hence the actual cost for salaries far exceed the budget. In the opinion of the OPP the rock concerts advertise themselves and generate a great deal of people to converge on the area.

A discussion was also held regarding the sale of advanced tickets and it was the general consensus that possession of a ticket gave a feeling of security to the individual. If advance sales could be arranged, some of the pressures of a large line up at the door would be alleviated.

A motion was made by Stuart Branden, seconded by Faye Mansfield, that the committee agree to rent the ice surface to Shadow productions beginning on May 18, 1980 and other dates outlined in his letter provided that small groups be engaged and the dances be run under monitored advertising conditions and each event be subject to the review of this committee; total contract shall be \$2,300 with the exception of the event proposed for June 7th 1980 which may reduce the contract amount to \$2,050.

\$9,200 damage in 3 collisions

Minden OPP report just three reportable collisions this week, resulting in some \$9,200 in damages. All the collisions occurred on Saturday, Feb. 2nd, and within a 30 minute period.

At 10 am on the Brady Lake Road, a two-vehicle mishap resulted in more than \$1900 in damages.

Kenneth Hoggs 51, of Whitby was northbound in his 1976 car when he collided on a curve with a pickup truck driven by Allen Austin 61, of Minden. Police estimate damage at \$1400 to the pickup and \$500 to the Hogg's car. PC Reg Eveligh.

Then at 10:20 am at Redstone Lake Road, a parked car owned by Noel Griffin of West Guilford was left unattended on the south edge of the road and was struck by an unknown vehicle. Damage to the car was set at \$1800. PC Smith.

At 10:30 am on a logging road near Haliburton Lake two vehicles collided on a curve. Reginald Smith, 47 of Ottawa was southbound and Douglas Miles 23, of Lake St. Peter was northbound when they collided on a curve. Damage has been set at \$4000 to the Miles' log truck and \$1500 to the log truck of Smith.

VICTORIA — HALIBURTON

Single car collision results in 2 injuries, \$6000 damage

HALIBURTON — Late Friday evening on Hwy. 530 near Camp White Pine, a single vehicle collision resulted in two persons suffering injuries and more than \$6,000 in damage to a 1979 Jeep.

Leslie Snyder 34, of Brantford, Ont., was eastbound on Hwy. 530, when the jeep he was driving entered the south ditch, crossed the White Pine Rd., and rolled onto its side. Snyder suffered cuts and bruises in the mishap and a passenger in the vehicle, 22 year old David Welch also of Brantford, suffered cuts, bruises and a suspected concussion. Both were taken by ambulance to hospital in Haliburton. Welch has since been transferred to Peterborough.

Police report that Snyder has been charged with careless driving. PC Boyd Jarvis.

Benefit dance Friday for burnt out Coboconk family

COBOCONK — A helping hand is being extended to Coboconk's J. Edmund's family who lost their home and all its contents in a disastrous fire recently.

Gordon E. Clarke, public relations officer for the Royal Canadian Legion Branch 519, Coboconk, says that St. Patrick's Church of Kinmount and Pendulum Sounds are holding the benefit dance in the Coby Legion on Friday evening, Feb. 8th.

Clarke says the dance will get underway at 8:00 and he extends an invitation to all residents and local organizations to attend and contribute to this worthy cause.

ARIES (3-21/4-19): A small midwinter slump may be giving you a case of the blahs, Aries, and the fact that your current project has hit a few snags doesn't help. Combat these by getting out and meeting new people, socializing and helping others with their projects. Those blahs will vanish!

TAURUS (4-20/5-20): Show your affection and concern for those around you, Taurus. Look below the surface of what people say, to find out what they really mean. Work toward the realization of your own goals, including spiritual ones.

GEMINI (5-21/6-20): Cupid zips in through a side door and warms your heart in his own special way. Expect a minor shockwave at work and foster your own creativity. Week closes with an air of mystery and a few magician's tricks, Gem.

MOONCHILD (6-21/7-22): Instinct is often at variance with logic. Your own intuition rarely fails you, Moonbaby, so you know which to follow when a choice must be made. Later, you learn something new and fit in the final puzzle piece.

LEO (7-23/8-22): Make your own opportunities and advancements this week, Leo. Tailor your grandiose ideas down to scale and be realistic. As Sam says, a

tiny step forward is much better than a gigantic leap backwards. Ain't it the truth!

VIRGO (8-23/9-22): Get back to basics in the coming week, Virgo. You can't go any place until you know where you are and where you want to go. Tend to correspondence, pay bills and be willing to accept new data into your computer bank. Latter days add spicy data, too, in the form of hugs and kisses.

LIBRA (9-23/10-23): There's an old saw, Libby, 'bout the squeaky wheel being the one to get the grease. Do a bit of squeaking in the week ahead, babe. Later, you answer an S.O.S., and Cupid trips in before week is out. Whoopie!

SCORPIO (10-24/11-22): Subtle influences are at work behind the scenes, Scorp. Be prepared for sudden changes and activity from unforeseen directions. All time out for a midweek love-break and watch out for wooden nickles as days come to tipsy finale. Well, you won't be bored. For sure!

SAGITTARIUS (11-23/12-21): You have loose ends scattered

about like so many flakes of snow, Saj. Gather them all together and you can make a lovely, big snowman. Concentrate on personal and family matters. The world at large can fend for itself for a few days. Yes, it really can, sweetie.

CAPRICORN (12-22/1-19): It may seem that inspiration has hit a snag and that your spiritual ship is becalmed. Keep the faith, Cappy. This may be just a time of testing; you are on the right track. Your patience will be rewarded.

AQUARIUS (1-20/2-19): Don't be content to merely scratch the surface of your current interest, Aquari. Plan an in depth study. As the great philosopher Samantha says, an instant expert is only a flash in the pan. Dig, babe, dig!

PISCES (2-20/3-20): Be a helping hand this week, Pisces. Your aid is sought in several unusual ways and your ingenuity and intuition are great assets. You'll add stars to your crown and have some fun — in an odd sort of way — besides.

Minden — Last week during the Minden Kinsmen Winter Carnival, the Cars-on-ice-races were once again the highlight of the weekend. And, like three of the last four years, Bill Lefebre in his 300 VW Bug, won the competitions Overall Championship. On his way to Overall title, Bill captured his Class 4 races, and the Studded Feature. Competition was keen throughout the two-day event and many enjoyed the wide-open, carefree approach to the races. The Minden track is quickly becoming the favorite for all drivers, as it is the only land track on the circuit and the drivers do not worry about falling through into a lake. Final results to the races have not yet been recieved from Race headquarters but the Express has been assured that they should be here for next week. February 16-17, the clubs will be back in Minden and the races will be sponsored by the British American Racing Club. On Sat-Sun Feb. 22-23 they will return under the sponsorship of the Twin Lakes Club.

MONDAY LADIES — Catherine Kellett has a game in hand over Penny Obee as the teams are all tied up for the league lead with 25 pts apiece. Kellett has amassed her points on a record of two wins and one tie while Obee has two wins one loss and one tie in four attempts. In third spot is Dale Austin with 20 pts while Lois Titus has fourth position with 10 pts. Still untracked is the Chris Dollo rink which is pointless in three tries.

TUESDAY LADIES — Jane Graham and Lois Titus have yet to lose and are far in front of the rest of the league with 35 pts and identical 3-0-1 records. Nancy Garbutt holds down third spot with one win in four games while Bev Wood has yet to hit the point column. Last week Graham handled Garbutt 6-3 while Titus held on for an 8-6 victory over Wood. In heads-to-head action earlier Titus and Graham squared off at 5-5 so their rematch this week may well decide the league champion.

TUESDAY MENS' — Five teams are within ten pts of each other in the wild scramble for the top placing currently held by the Bob Austin quartet. Austin has 30 pts from 3 wins and one loss while Neil Burk and Doug Cross share second spot with 25 pts each from similar 2-1-1 records. Tied for fourth place, just 10 pts out of first, are Don Blakey and Jim Garbutt. They are 2-2 for 20 pts, just 5 pts up on Alex Millar and J. O. Jackson who share sixth spot. Garth Kellett has one win on four outings. In action last week, Cross handled Kellett 8-4 but succumbed to Burk by a 7-4 margin. Kellett also lost his second consecutive 8-4 game, this time to the Austin rink. Elsewhere Garbutt surprised Jackson 8-4 and Blakey edged Millar 7-6.

MENS' SENIORS — Last week Art Hodgkinson humbled Harold Morgan 11-2, Ed Pettinger mastered Lorne Coburn 8-4; Herb Gill topped Harry Cowen 7-6 and Cec Yearwood disposed of Ev Rudd by a 7-3 count. Following four weeks of play Pettinger holds down first place with a perfect four wins and no losses. Tied for a close second are Hodgkinson and Yearwood with 30 pts each. Holding down 2-2 records and 20 pts are Rudd and Morgan while Cowen and Gill have 10 pts. Coburn has yet to post a victory.

WEDNESDAY MIXED — In the fifth round of play last week, Neil Burk knocked Dwight Thomas out of first place with a humiliating 10-5 victory. The win gave Burk 35 pts and second position while Thomas fell to third spot with 30 pts. Alone in first place at 40 pts is Don Blakey following his convincing 11-4 drubbing over Jim Burton. The loss left Burton with 25 pts and tied with Garth Kellett for fourth place. Kellett held on to edge Stan Blears 9-7. Blears has 15 pts, 5 more than Herb Gill and 5 in back of Bob Austin. Austin moved out of last spot with a 10-3 levelling of the Gill rink.

THURSDAY MIXED — Only 15 pts separate the top seven teams in this hotly contested league. The league leaders are J. O. Jackson and Ron Reid with 35 pts each. They bettered their record to 3-1-1 following their 7-7 indecision last week. Just 5 points behind are Alex Millar, Jim Garbutt and Bill Roodenburg. Garbutt pummelled Clayt Hummell 11-3 while Roodenburg crushed Godfrey Saunders 10-2 and Millar scored 15 pts in his plastering of Paul Prentice. Prentice's team is having problems getting untracked from a deep slump in which they've lost 5 consecutive games. Saunders and Hummell, meanwhile, have 20 pts, good enough for sixth spot.

JUNIORS ARE CHAMPS — Congratulations to our Juniors' team following their spirited effort in the OCA division playoffs three weeks ago. The team skipped by Doug Cross and composed of Paul Madden, Shaun Harrison and Shane Blakey travelled to Peterborough and defeated all-comers to capture our first divisional Junior championship. On Sunday, Feb. 10th the boys will participate in the inter-divison Eastern Ontario finals to be held at the Peterboro Golf and Country Club on Armour Road in the city.

Winners of these playoffs gain a berth in the All-Ontario playdowns later this season. The competition is a double-knockout affair and our champs play their first game at 9 am. Interested spectators are most welcome. The boys have brought our area great honour and acclaim and reciprocal support would be appreciated.

CARNIVAL SPIEL ACTION — Grand champion and winner of the Robert Case trophy was the rink of Ron and Toos Reid and Alec and Bev Millar. Runner up and grabbing the President's trophy was the team of J. O. and Jean Jackson and Etta and Bob McGann. Third spot went to the rink of Jerry McKelvey Gwen Cox, Roy Colliss and Lorna Burk while fourth place honour was captured by the Haliburton entry of Bob and Jean Colliver and Bill and Bea Everson.

In what must be considered a surprise, Reid humbled to newly-crowned Haliburton Skyline Bonspiel champ, Bob Colliver, by a 15-3 score Friday night. Reid then thumped Godfrey Saunders 12-4 before being levelled 9-2 by Jackson. In the cham-

pionship final, Reid threw a perfect last rock drive to the eight-foot ring to shade McKelvey 8-7. It followed McKelvey's excellent double takeout squally forcing Reid to draw for the win. Rebounding grand style from his opening loss, Colliver won three consecutive matches. He thrashed Hymus 12 squeaked by Bob Austin 6-5 and then dumped Jackson 7-4. Jackson's two other jousts included an 8-6 beating of Redner and a 12-7 shootout over McKelvey. Meanwhile McKelvey posted a 6-5 victory at the expense of Bob Austin and an exciting 8-7 thrill over Saunders. Final pts were: Reid 34.75 pts; Jackson 32.75 pts; Colliver 31 pts; and McKelvey 24.5 pts. Winner of the consolation prize was the Hymus rink. A tip of the tam to everyone involved in making this 'spiel' an unqualified success, especially the bonspiel committee of Garth and Catherine Kellett and Bob and Dale Austin.

*Good Citizenship
deserves a
Medal*

Do you know anyone here in Ontario who—through selflessness, humanity and kindness without expecting anything in return—has made this a better province in which to live?

That's the kind of person for whom the Ontario Medal for Good Citizenship was established.

12 recipients are selected yearly by an independent Advisory Council of Ontario citizens whose honorary chairman is the Lieutenant-Governor of the Province.

Anyone may nominate a person for the Ontario Medal, and nomination forms are available by writing:

Executive Secretary
Advisory Council
Ontario Medal for Good Citizenship
Queen's Park
Toronto, Ontario M7A 1A1

Making a nomination is itself an act of appreciation for good citizenship. All nominations should be received by April 15, 1980.

Ontario Medal for Good Citizenship

Midgets destroy Sunderland 12-0 Yake, Porter score 3

MINDEN — Saturday was a very good day for Minden minor hockey as they won three of four playoff games. In a game at 2 pm, the Minden and Haliburton Novices played an exciting 0-0 tie with goaltenders Kent Taylor of Minden and Gavin McKnight of Haliburton playing magnificently between the pipes.

Then at 3 it looked like another scoreless tie was going to be chalked up but Manvers scored with one minute remaining to give them a 1-0 win over our Atoms.

Then Sunderland entered the Community Centre to play our Peewees, Bantams and Midgets and probably wished they had stayed at home. The Pee-wee game got underway at 4 and Minden blanked the visitors 2-0. In the first period, Mike Gorveatt cashed a nifty setup from Jeff Howe with Glen Hall assisting. In the third, Paul Walker did some great stick-handling around the Sunderland defence to score an unassisted marked to put the game on ice. The win gave the local Peewees their third straight in the playoffs with one more against Sunderland. They have clinched the round robin series with Sunderland and Bobcaygeon and will open a three of five final series with Caygeon next Saturday.

In the Bantam contest at 5 our lads played their finest game of the season, trouncing Sunderland 11-2. Eldon Bull came up with a spectacular performance scoring four goals and setting his linemate Scott Yake up for another. Kevin Warburton potted two, while singles went to Jeff Stamp, Scott Hamilton, Robbie McLeod and Tim Wood. Bill Brethour and Alfie Tester scored for Sunderland.

After four extremely exciting games it seemed very unlikely that the fifth could match anything that had previously happened on this Feb. 2nd but the best was yet to come. In a swiftly played contest, Walker's Lumber Midgets skated around, through and over the Sunderland Midgets to record a 11-0 shutout.

Ronnie Yake and Harold Pater supplied half the offensive power, scoring three times each. Singles went to Greg Austin, Terry Allore, Shawn Chapman, while Brent Moxam potted a pair.

Terry Crowe had an easy time of it in net for Minden but came up with the tough save when he needed it. The defensive play of the game went to

Greg Austin when he streaked out of nowhere to bat the puck away from a Sunderland player who had broken away for a three on one break.

The 50-50 draw winner on Saturday was won by Barry Shaw who collected \$26.75.

In other games played last week, the Minden Novices travelled to Fenelon and downed their hosts 5-2 on the three goal effort of Scott Russell. Sheldon Stevenson netted a pair.

The Juvenile 2 squad played a super game at the Centre against Coldwater Juveniles on Thursday evening but went down 2-1 in the best of three series. The second game was played in Coldwater on Sun., while the third if necessary will be played here.

The Minden Atoms travelled to Woodville last week for a round robin game but had trouble with their hosts, losing 7-4. Tom McLeod notched the hat trick while Jeff Warburton had one.

Let's Go Snowmobiling

Why Snowmobile?

It's mid January. You're a brand new snowmobiler, and right now you're beginning to wonder what ever possessed you to buy that snowmobile back in October. Was it the sight of the sleek machines and fashionable clothing on display in the dealer's showroom? Maybe you were just suffering from "the leaves are falling blahs" and needed something to perk you up? Just what were you thinking of!

Then you wake up one morning... and you **know**.

The air is crisp, the sky blue. Before you lies a breathtaking, unbroken view of freshly fallen snow—lots of snow.

With a mixture of excitement and anticipation, you quickly dress, start your snowmobile and head for the nearest trail.

As you begin to relax and feel comfortable with your machine, you become aware that you are in the midst of a winter wonderland. The trail leads you through canopied woodlands, down valleys and up hills.

Suddenly, you find yourself in a flat open area. Cautiously, you pick up speed, perhaps to 30 miles per hour. You feel the wind whistling by. You discover that you're not cold—just exhilarated.

You stop at the crest of a rise, turn off your machine and drink in the magnificence of the scene before you. You spot several deer browsing near the edge of the woods. A cottontail rabbit scoots by. Below you in the valley, smoke wisps up from the

chimney of a distant farmhouse.

You don't know how long you've been sitting there—relaxed, excited, and at peace with yourself and the world. And then it suddenly hits you. There are 75,000 miles of public trails like this one throughout the North American snowbelt! There are trails that can lead you to a rural wonderland. And there are smoothly groomed, long-distance trails that will take you to neighbouring counties.

You begin to plan: for ice fishing trips and moonlight rides; for snowmobiling cookouts with friends; for a winter weekend at your "summer" cabin with Jane and Joe and Barbara; perhaps a snowmobiling safari to nearby counties. And you've heard that the nearby national parks and crown lands are at their most beautiful in winter. So you'll have to see those too.

You begin to think in even grander terms. Why not a winter snowmobiling vacation—to Quebec, or Yellowstone National Park, or the Canadian Rockies or a host of other magnificent snowmobiling destinations? As you come out of your reverie and hop back on your snowmobile, you realize that winter is now a season to look forward to—and that it will definitely pass much too quickly.

If you have any questions, you may contact the Snowmobile Information Centre of the Ontario Snowmobile Industry Association, P.O. Box 951, Stn. Q., Toronto, Ontario M4T 1L0 or telephone (416) 923-4459.

Dollo Juenviles eliminate Caygeon, now meet P. Carling

MINDEN — The Dollo Juenviles, despite the efforts of the two imported Lindsay officials, eliminated the Bobcaygeon Ticats for the season from post season play of Friday evening. Led by the three point performance of Kim Hamilton, including two goals, Minden's senior squad won 5-1. With the victory they new tangle with Port Carling. The first game in this series will be played on Friday at the Centre at 8:00.

Hamilton opened the scoring in this contest at 1:44 from passes by Roger Hicks and Casey Cox. Harold Porter upped the lead to 2-0 at 7:52 when he took passes from Hicks and Dennis Stribbling, rattling the puck off both goal posts.

At the :37 second mark of the second, Hamilton got his second of the evening, a shorthanded marker when he was sent into the clear on a beautiful pass from Greg Carpenter. The score went to 4-0 at 12:36 when Butch Manary sent a pass out of his end to Tim Davies who in turn passed to Garry Harrison who blasted a shot past a downed Ticat goalie.

Bobcaygeon broke Minden's shutout bid at 8:17 of the third period when Jeff Unger beat a screened

Dwain Lennie in the Minden goal from the point. Porter made the final score 5-1 when he finished off a fine three-way passing play with Carpenter and Hamilton.

Winner of the minor hockey draw on Friday was Curtis Gartshore picking up \$27.25.

EDITOR'S NOTE: It really doesn't do a lot of good to criticize hockey referees but the performance of the two individuals from Lindsay on Friday evening was deplorable. They dished out a total of 76 minutes in penalties, 45 to the local team. Perhaps these two referees have never been involved in playoff pressure, when two teams play a very different brand of hockey which is a closer checking, more aggressive style at playoff time.

Minden Minor hockey complains year after year that it is losing money. Why then pay \$50 to two out of town officials? Anyone who has watched referees Claude Parrish and Gary Broham over the past couple of months cannot honestly say that we need to bring in outside officials who receive \$20 just to travel here. So, support our own referees who sacrifice many hours during the winter to referee our leagues. If they are good enough to officiate at our league games then they are definitely good enough to do our playoffs.

The mixed team in this year's Provincials will be made up of Judy Lavoy of Bancroft 3794, Sheila Everett of Bancroft 3781, Marg Tretheway 3763, Ronnie Robinson of Carnarvon 4553, Gord McAllister of Fenelon 4503, Bill Phillips of Bancroft 4501 and Malcolm Anderson of Fenelon 4496. The coach for the mixed squad is Fenelon's Ross Wilson.

Congratulations to all of this year's Zone winners in the Colt 45 Open and continued good luck at the Provincials in April.

Osler, Barton lead 1000 Lakes to Colt 45 Provincials

BANCROFT — On Sunday, Jan. 27th the final ten games of the 21 game Colt 45 Open rollofs were completed and Fenelon's Kay Osler and Steve Barton will be carrying the 1000 Lake Bowlers Association colors in the opening ceremonies at Hamilton on Easter Weekend. Osler and Barton earned the right to parade the beige and orange after they captured the Singles titles in the zone rollofs.

Steve Barton will bowl in the singles as well as anchor the men's team in Hamilton at the Provincial championships and Kay will do likewise for the ladies. Steve's 20 game score was 4922 for a 245 average while Kay rolled 4445 for an average of 222.

SINGLES COMPETITION

Besides Steve and Kay, Bill Korz of Fenelon, who rolled 4906 and Ted Cavanagh of Lindsay with 4678 will roll singles in the men's and Doreen Playne of Havelock, 4038 and Audrey Fountain of Carnarvon, 3880, will bowl in the ladies singles.

MEN'S TEAM

The men's team from 1000 Lakes will consist of Barton, Korz, Cavanagh as well as Bancroft's Garry Murray, 4639, Carnarvon's Doug Robinson 4630 and Lindsay's Larry Cavanagh 4560. The coach of the men's squad is John Nuttal of Carnarvon.

LADIES TEAM

The ladies team at Hamilton will have Osler, Playne, Fountain, Harding of Carnarvon, 3856, Dorthey Robinson of Carnarvon, 3839 and Marnie Couture of Carnarvon 3829. The coach for the ladies is Ron Robinson.

Derry, McKelvey score 4 Hardware, Rockcliffe win

Minden — With just one week remaining in the Men's Recreational Hockey League, Home Hardware remains unbeaten with 11 straight wins and has captured the league championship. The Rockcliffe Hotel is second with six wins while Hartwick Construction has three and a tie and Floyd Hall Insurance one win and a tie.

On Monday evening at the Center 45 goals were scored in the two games played, with Home Hardware leading the way with a 17-10 victory over Hartwick Construction. John Barkwell led the Home team with three goals along with Wayne Johnson. Two goals went to Dave Hartwick, Dave Dollo and Kevin Newell while singles were scored by John Lawson and Weldon Popp. Mark Derry led Hartwick in a losing cause with four goals. Harris Steele netted the hat trick, Pete Lattner and Rick Hartwick two each.

In the early game the Rockcliffe Hotel opened up a four goal lead early in the first period but saw the lead disappear early in the third when Floyd Hall tied the game 6-6. However, the Hotel boys got their act together in the later stages of the game to pull out a 11-7 victory.

Shane McKelvey led the attack with four goals followed by league scoring leader Larry Sawyer who had three goals and seven assists on the night. Singles went to Randy Cole, Ted Vasey, Don Cummings,

John MacAdam and Dean Hewitt.

Seven different players scored in a losing effort for Hall Insurance, Neil Burk, Steve Harper, Reg Ev-
eligh, Jim Burk, Dave Willis, Wayne Tascona and Bert Short.

On Sports

BY JOHN DALTON

Bob Griesse wears glasses. So does Reggie Jackson. And Kareem Abdul-Jabbar.

You need 20/20 vision (corrected, if need be) to do well in sports.

But the vision of about one of four Americans participating in sports is not up to par, according to the American Optometric Association.

Honing vision skills to their peak helps to give athletes an extra edge that can make the difference between winning and losing in tough competition.

Even for weekend athletes, giving extra attention to vision (with regular exams) can mean better playing, more enjoyment. And safer play.

About 60 percent of U.S. Olympic contenders could sharpen their athletic performance by improving their vision, according to a recent study by the optometric association's Sports Vision Section.

In any sport, clues to vision problems include playing worse rather than better (even after much practice); squinting; frequently missing easy plays; inconsistent performance; and difficulty playing under lights.

Eye woes, for instance, might cause you to consistently swing too early or too

late, too high or too low, on the tennis or racquetball court. Your eyes may not be working together as well as they should, making it difficult for you to judge the speed, distance and placement of the ball.

As far back as 1881, glasses were worn by tennis champions. That's when spectacle-wearing Richard D. Sears won the first U.S. singles title.

So don't take chances with your vision — or with eye safety.

One safety note: there are 3,200 reasons why you should wear protective eye gear when playing racket sports. That's the number of people who, in one year alone, suffered eye injuries, some serious, because they didn't.

Wearing safety goggles or guards can help to protect you from injuries.

Keeping your vision in top condition with regular examinations is important in helping you to play your best at any sport.

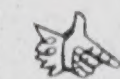

But there's a vital sight tip — even for those with perfect vision.

According to the American Optometric Association, your body movements tend to tune in to whatever your mind is visualizing.

So a golfer who concen-
